

ADDENDUM TO THE PRENATAL PACKAGE

We would like to take a moment to thank you for choosing Centro Prenatal de Georgia for your prenatal care.

When you start your prenatal care with us, we set up your visits and exams according to your gestational age. The routine exams are included in your prenatal package. If for any reason you decide to continue your prenatal care elsewhere you will need to make an extra payment of \$150 to cover the cost of the labs and for the time and work that our employees have taken to provide for you.

Please take a moment to review the information above, once more and sign below.

Thanks for your understanding and cooperation.
